Dear Parent/Carer

Re: Remote Learning activities for the day of Strike Action – Tuesday 2nd May 2023

This information is to be read in conjunction with the communication from the Headteacher, Mrs Foster, which outlines the groups of students in Year 11 who will be attending school for exams/coursework completion or for Year 13 students who will be attending lessons or using study areas.

To support students' learning on this day, we would like students in **Years 7, 8, 9, 10, 11 and 12** to complete remote learning work by accessing the following high-quality online resources:

In order to prepare for UCAS applications and to complete a personal profile, Year 12 students should access the Unifrog site - <https://www.unifrog.org/> - and complete the following sections:

4. Skills profile
5. Explore the 'MOOCS' section
