POLICY AIMS

At Mark Rutherford we have high expectations of all, in everything we do. This includes personal appearance. Uniform plays an important role in establishing the ethos of a school and at Mark Rutherford we believe that our uniform policy benefits the school in a number of ways:

- It encourages identity with the school and nurtures the notion of community
- It protects students from social pressures to dress in a particular way
- It supports discipline and good behaviour and ensures the health and safety of students
- It instils a sense of pride in the school
- It promotes more effective teaching and learning.

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

Due to the changing trends / fashions we reserve the right as a school to identify throughout the year when uniform worn is deemed inappropriate and sanction appropriately.

If there are any difficulties with purchasing items of uniform, parents should make contact with their child's Head of Year, so that the school can support the family finding a solution.

Student Responsibility:

- We expect students at MRS to adhere to the school uniform policy
- To recognise that it is the public face of MRS and that it should be worn correctly and with pride
- To appreciate that uniform infringements will result in a verbal reminder and continued non-compliance will result in a sanction
- Items of clothing that do not follow the uniform policy may be confiscated and replaced with spare school uniform items.

Parental Responsibility:

- We welcome parental support in the purchase of items of clothing that follow the uniform guidelines
- To ensure all items of clothing are clearly marked with your son/daughter's name
- That the school is informed if there is a problem concerning uniform
- To remind students as they leave home of the uniform code and encourage their cooperation
- To email the Head of Year or Assistant Head of Year about any uniform infringements for medical reasons so that they can notify teachers and give a note to the student.

Tutor Responsibility:

- To ensure that all students leave tutor bases appropriately dressed for the day
- To confiscate items which do not conform to the schools uniform policy
- To make contact with parents where there have been issues identified with uniform
- Continued non-compliance with uniform policy is reported to the Head of House

Class/Subject Teacher responsibilities:

- To ensure students arrive and enter your classroom appropriately dressed
- To ensure that students leave your classroom appropriately dressed
- To check that students with uniform infringements have a note signed by their Head of Year
- To check that students incorrectly dressed /without a note are reported to the Head of Year

All Staff Responsibilities:

- To regularly speak to students when their uniform is not as it should be around school
- To remind and encourage students to wear the school uniform correctly
- To confiscate items that do not comply with the MRS uniform policy
- To report non-compliance to the form tutor and Head of Year

Pastoral Responsibilities:

- To speak to students in their year group about the expectations for standards of dress. This may be done through House assembly
- To challenge students who dress inappropriately
- To contact parents/carers if there is non-compliance about uniform
- To offer the student spare uniform if they don't have the correct items of uniform
- To send the student home to find/collect the correct item of uniform
- To support the student if there is financial hardship that prevents the student from following the uniform policy
- To issue sanctions for non-compliance
- To support the form tutor in the enforcement of the uniform policy

Leadership Responsibilities:

- To support staff in the implementation of the school's uniform policy
- To challenge students who dress inappropriately and issue an appropriate sanction for non-compliance

ADDITIONAL IMPORTANT INFORMATION

Mark Rutherford School will carefully consider any request that is made to vary the policy to meet the needs of an individual student. This may be to accommodate their religious belief or any temporary or permanent medical conditions, in order to avoid breaches of disability discrimination legislation.

The Headteacher or person authorised by the Headteacher has the right to send a student home, briefly, to put on the correct uniform or otherwise adjust their appearance in line with the school's uniform policy. The school must first inform the student's parents and consider factors such as the student's age, vulnerability, availability of the parent and how easily the breach can be remedied. When this is done it will constitute an authorised absence.

In the first instance, we will offer spare uniform items (including shoes) to any students who does not have the correct uniform. All items are cleaned regularly and shoes will be disinfected after each use.

If a student does not have a medical reason or specific individual needs, refuses to wear the spare uniform or refuses to go home to change, or commits uniform offences (even where they do not otherwise display poor behaviour), the school has the right to sanction the student. Some examples of acceptable sanctions include;

- Detention
- Internal Exclusion
- Suspension (This will happen where the breaches of the school's uniform policy are persistent and defiant)

The school reserves the right to confiscate items of clothing or jewellery that do not fall within our uniform policy as per the 'Searching, screening and confiscation – Advice for Headteachers, school staff and Governing bodies' DfE
