Management Guidelines for creating a Model School Health & Safety Policy
Edition No 2. Date of Issue: January 2007

INTRODUCTION

The Governing Body believes that ensuring the health and safety of staff, pupils and visitors is essential to the success of the school.

We are committed to:

- a. Preventing accidents and work related ill health.
- b. Compliance with statutory requirements as a minimum.
- c. Assessing and controlling risks from curriculum and non-curriculum work activities.
- d. Providing a safe and healthy working and learning environment.
- e. Ensuring safe working methods and providing safe working equipment.
- f. Providing effective information, instruction and training.
- g. Consulting with employees and their representatives on health and safety matters.
- h. Monitoring and reviewing our systems and prevention measures to ensure they are effective.
- i. Setting targets and objectives to develop a culture of continuous improvement.
- j. Ensuring adequate welfare facilities exist throughout the school.
- k. Ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable.
- l. Trade Union Safety Representatives play a valuable role and the Governing Body recognises the mutual benefits that will arise from supporting their work.

A Health and Safety Management System will be created to ensure the above commitments can be met. All Governors, staff and students will play their part in its implementation.

ORGANISATION

Introduction

In order to achieve compliance with the Governing Body's Statement of Intent the school's management team will have additional responsibilities assigned to them as detailed in this part of the Policy.

An organisational chart for H&S Management is attached at Appendix 1.

The Governing Body

The Governing Body has the responsibility to ensure that:

- a) A clear written policy statement is created which promotes the correct attitude towards safety in staff and students.
- b) Responsibilities for health, safety and welfare are allocated to specific people and that these persons are informed of these responsibilities.
- c) Persons have sufficient experience, knowledge and training to perform the tasks required of them.
- d) Clear procedures are created which assess the risk from hazards and produce safe systems of work.
- e) Sufficient funds are set aside with which to operate safe systems of work.
- f) Health and safety performance is measured both actively and reactively.
- g) The school's health and safety policy and performance is reviewed annually.

The Headteacher

The Headteacher supports the Governing Body by ensuring that:

- a) This Policy is communicated adequately to all relevant persons.
- b) Appropriate information on significant risks is given to visitors and contractors.
- c) Appropriate consultation arrangements are in place for staff and their Trade Union representatives.
- d) All staff are provided with adequate information, instruction and training on health and safety issues.
- e) Risk assessments of the premises and working practices are undertaken
- f) Safe systems of work are in place as identified from risk assessments.
- g) Emergency procedures are in place.
- h) Machinery and equipment is inspected and tested to ensure it remains in a safe condition.
- i) Records are kept of all relevant health and safety activities e.g. assessments, inspections, accidents, etc.
- j) Arrangements are in place to monitor premises and performance.
- k) Accidents are investigated and any remedial actions required are taken or requested.
- l) A report to the Governing Body on the health and safety performance of the school is completed annually.

THE SCHOOL HEALTH AND SAFETY OFFICER IS ROBBIE GARNER, BUSINESS MANAGER

She is responsible for:

- a) Co-ordinating and managing the risk assessment process for the school.
- b) Co-ordinating the termly general workplace monitoring inspections and performance monitoring process.
- c) Making provision for the inspection and maintenance of work equipment throughout the school.
- d) Keeping records of all health and safety activities.
- e) Advising the Headteacher of situations or activities which are potentially hazardous to the health and safety of staff, students and visitors.

- f) Ensuring that staff are adequately instructed in safety and welfare matters in connection with their specific work place and the school generally.
- g) Carrying out any other functions devolved to her by the Headteacher or Governing Body.
- h) Unsafe conditions being reported and dealt with to agreed timescales.

Teaching/Non-Teaching Staff Holding Posts/Positions of Special Responsibility

This includes Deputy Heads, Curriculum Co-ordinators, Heads of Year, Heads of Departments, Clerical Managers/Supervisors, Technicians and Site Supervisors/Agents/Assistants. They must:

- a) Apply the school's Health and Safety Policy to their own department or area of work and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements.
- b) Carry out regular health and safety risk assessments of the activities for which they are responsible and submit reports to the Headteacher or the School Health and Safety Co-ordinator.
- c) Ensure that all staff under their management are familiar with the health and safety procedures for their area of work.
- d) Resolve health, safety and welfare problems that members of staff refer to them, or refer to the Headteacher or Manager any problems to which they cannot achieve a satisfactory solution within the resources available to them.
- e) Carry out regular inspections of their areas of responsibility to ensure that equipment, furniture and activities are safe and record these inspections where required.
- f) Ensure, as far as is reasonably practicable, the provision of sufficient information, instruction, training and supervision to enable other employees and pupils to avoid hazards and contribute positively to their own health and safety.
- g) Ensure all accidents are investigated appropriately.
- h) Include health and safety in the annual report for the Headteacher.

Special Obligations of Class Teachers

Class teachers are expected to:

- a) Exercise effective supervision of their students and to know the procedures in respect of fire, first aid and other emergencies, and to carry them out.
- b) Follow the health and safety procedures applicable to their area of work.
- c) Give clear oral and written health and safety instructions and warnings to students as often as necessary.
- d) Ensure the use of personal protective equipment and guards where necessary.
- e) Make recommendations to their Headteacher or Head of Department on health and safety equipment and on additions or necessary improvements to plant, tools, equipment or machinery.
- f) Integrate all relevant aspects of safety into the teaching process and, where necessary, give special lessons on health and safety in line with National Curriculum requirements for safety education.
- g) Ensure that personal items of equipment (electrical or mechanical) or proprietary substances are not brought into the school without prior authorisation.
- h) Report all accidents, defects and dangerous occurrences to their Headteacher or Head of Department.

School Health and Safety Representatives

The Governing Body and Headteacher recognise the role of Health and Safety Representatives appointed by a recognised trade union. Health and Safety Representatives are entitled by law to investigate accidents and potential hazards, pursue employee complaints and carry out school inspections within directed time wherever practicable.

They are also entitled to certain information, for example about accidents, and to paid time off to train for and carry out their health and safety functions. However, they are not part of the

management structure and are not carrying out duties on behalf of the Headteacher or Governing Body.

Time off for training of safety representatives will be provided in accordance with negotiated agreements. Representatives will be given full access to the information on health and safety, which they have a right to have under the Health and Safety at Work Act 1974. They will also be given appropriate time and facilities to undertake the range of activities of a Safety Representative in order that they can play an effective role, any problems that need further action or a review of procedures.

Obligations of All Employees

Apart from any specific responsibilities which may have been delegated to them, all employees must:

- a) Act in the course of their employment with due care for the health, safety and welfare of themselves, other employees and other persons.
- b) Observe all instructions on health and safety issued by the LA, School or any other person delegated to be responsible for a relevant aspect of health and safety.
- c) Act in accordance with any specific H&S training received.
- d) Report all accidents and near misses in accordance with current procedure.
- e) Co-operate with other persons to enable them to carry out their health and safety responsibilities.
- f) Inform their Line Manager of all potential hazards to health and safety, in particular those which are of a serious or imminent danger.
- g) Inform their Line Manager of any shortcomings they identify in the school's health and safety arrangements.
- h) Exercise good standards of housekeeping and cleanliness.
- i) Know and apply the procedures in respect of fire, first aid and other emergencies.
- j) Co-operate with the appointed Trade Union Health and Safety Representative and the Enforcement Officers of the Health and Safety Executive.

All employees who authorise work to be undertaken or authorise the purchase of equipment will ensure that the health and safety implications of such work or purchases are considered.

Employees entrusted with responsibilities for specific aspects of health, safety and welfare must satisfy themselves that those responsibilities as appropriate are re-assigned in their absence. Such re-assignments must be approved by the employee's immediate superior.

Students

Students, in accordance with their age and aptitude, are expected to:

- a) Exercise personal responsibility for the health and safety of themselves and others.
- b) Observe standards of dress consistent with safety and/or hygiene.
- c) Observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency.
- d) Use and not wilfully misuse, neglect or interfere with things provided for their health and safety.

PROCEDURES AND ARRANGEMENTS

The following procedures and arrangements have been established within our school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements:

Accident Reporting, Recording and Investigation

All staff are required to ensure that all accidents, incidents and near misses are reported by either the Student Reception or main Reception to BBC through AssessNET Online.

Asbestos

A copy of the Asbestos Log Book is kept in Reception.

The nominated member of staff responsible for asbestos shall ensure that all staff are aware of the dangers of asbestos and that they are familiar with the procedures within the Log Book.

All contractors shall be referred to the asbestos log book before commencing work. Any member of staff who may disturb the fabric of the building shall refer to the log book before commencing work.

Audit

An annual self assessment will be completed by the Business Manager.

Contractors

The Site Supervisor shall ensure that the management guidelines regarding contractors are adhered to at all times.

Infection control

The school has a Coronavirus/Flu pandemic plan in place. The school will follow government guidance in relation to managing the risk and this includes implementing infection control procedures.

The school will update their Coronavirus/Flu plans and risk assessments regularly and follow NHS and government advice and guidelines.

Educational Visits and Journeys

All educational visits and journeys are required to be approved by the Senior Deputy Headteacher, who shall ensure compliance with the Educational Visits and Journeys Policy.

Equipment and Electrical Testing

The Business Manager will ensure that testing, inspection and maintenance of equipment as outlined in the maintenance log book and the management guidelines within the Health and Safety Manual are undertaken as required.

Day to day inspection of all equipment to detect visible signs of damage, obvious faults or deterioration rests with the user, or in the case of equipment used by students, with the class teacher. Equipment found to be unserviceable, or of doubtful serviceability shall be taken out of service, adequately labeled, locked away and the defect reported to the Headteacher or HSO who will arrange for repair or replacement. Staff should not bring in untested equipment.

The Headteacher will ensure that all electrical equipment brought into the school from other sources, e.g. on loan, or during a letting, has the appropriate test certificate and is formally visually inspected in accordance with the Electrical Safety Management Guidelines.
