

PHYSICAL EDUCATION

INTRODUCTION

At the start of Year 10 all students begin a varied curriculum which provides a range of sporting opportunities during their two hours of PE per week. Each week, across each half term, students will complete a different activity, covering 12 sports per year. Students will participate in a variety of activities which include:

Team Sports such as:

Football, Basketball, Cricket, Lacrosse, Rounders, Netball, Ultimate Frisbee, Handball, Dodgeball, Softball, Volleyball, Rugby and Crazy Catch.

Individual Sports such as:

Table Tennis, Badminton, Trampolining, Dance, Gymnastics and Athletics.

Health, Fitness and Well-being activities such as:

Yoga, Circuit Training, Aerobics, Cardio Training and Outdoor and Adventurous Activities.

EXTRA CURRICULAR

A large number of sports covered within the curriculum are also offered to students as clubs for additional training, as well as opportunities to compete in a variety of competitive situations. We also enable students to lead, officiate and coach as part of their roles within these extra-curricular clubs.

ENTRY REQUIREMENTS

There are no entry requirements for core PE. Everyone will follow the programme however some students may choose to opt for GCSE PE or BTEC Tech Award in Sport, Activity and Fitness in addition.
