

Pearson Level 3 Alternative Academic Qualification BTEC National in Health and Social Care

Features of the Course:

To develop a better understanding of the demands of working in the health and social care sector. To demonstrate commitment and interest in the sector when applying for further study.

Units

Students taking this qualification will study three mandatory units:

- Human Lifespan Development
- Human Biology and Health
- Principles of Health and Social Care Practice

One optional unit to be chosen from:

- Health, Policy and Wellbeing
- Promoting Health Education
- Safe Environments in Health and Social Care
- Health Science

Methods of Assessment:

Two Units are assessed by examination:

Human Lifespan Development

Human Biology and Health

All other units are assessed through course work which is marked by the centre and moderated by the exam board.
