

12th February 2026

Dear Parent/Carer

Over the last few days, Form Tutors have shared with students their individual Statement of Entry for the summer examinations 2026.

Please check with your child carefully that all details are correct and if there is any query, please email exams@mrus.co.uk by **Friday 27th February 2026**. Please note that certificates will **only** be issued in a student's legal forename and surname.

The examination dates and times are set by the awarding bodies. Occasionally two subject examinations are scheduled at the same time and in accordance to JCQ regulations, these scheduling clashes will be resolved when seating is planned. They will either be completed one after another or in a different session that day, in which case students will be supervised between both exams. It is usual for awarding bodies to schedule Modern Foreign Language GCSE listening and reading examinations at the same time, listening is completed first and then the reading examination.

Individual timetables will be confirmed to all students within the coming weeks. In addition to the dates on the timetable, students **must be available** for the contingency date set out by Joint Council for Qualifications (JCQ): **Wednesday 24th June 2026**.

Kind regards

Examinations Office
