Dear Parent/Carer

**Re: Academic Mentoring Day (20.10.23)**

On Friday 20<sup>th</sup> October 2023 we are hosting an Academic Mentoring Day; this is something new for this academic year to review how your child has settled into the new academic year and to answer any questions you may have whilst also understanding our expectations in relation to our new core values of Motivated, Respectful and Successful.

Students will not be in school on this day for lessons however, will attend a 10-minute one-to-one appointment with their Tutor and/or Head of Year with you as their parent/carer. They do not need to wear their school uniform. Students will be signposted to work online for this day.

For parents/carers of students in our Nightingale Unit, you will be contacted separately to make an appointment to meet with a member of staff from this provision.

Appointments will take place during the following times:

- 09.00 to 11.00
- 11.30 to 13.00
- 13.30 to 15.00

Appointments will be held in person and are bookable via SchoolCloud; please follow the link [here](#). The booking system will close at 6pm on Thursday 19<sup>th</sup> October 2023. You are asked to arrive via our pedestrian gate and enter our Canteen where you will be met by staff and able to pick up a light refreshment before being directed to your appointment by a member of our support staff.

We are keen to welcome you into our school given that COVID-19 has prevented this, and that we continue to do most of our parent/carer consultations online. In addition, we would like you to meet your child's Tutor and develop those first 'port of call' relationships.

If you require support to access our site or need an appointment in a downstairs classroom, please contact us so we can arrange this for you.

Given this is something new we are doing, we will be requesting your feedback following this day.

We look forward to welcoming you back into our school.

Yours sincerely

Mrs K Foster  
Headteacher
