MARK RUTHERFORD SCHOOL

13th October 2023

Dear Parent/Carer

We are looking for local businesses that can provide additional work-related opportunities for some of our students here at Mark Rutherford School. Do you, or someone you know, run their own business and have the capacity to take on a student for a work experience placement? We are hoping to be able to send some students out to gain 'real life' experience on a weekly basis. This could be in the form of one, two or three days per week.

There are no cost implications and the paperwork process is very simple, requiring the completion of a short online form and a copy of liability insurance certificate uploaded.

If you feel that you may be able to offer an opportunity to one of our students, or have contacts or any questions, please do not hesitate to contact me on 01234 290200 or j.snowdon@mrus.co.uk.

Yours faithfully

Mr J Snowdon
Head of Year 11
