Mr Phelps will be unavailable due to personal circumstances but would be keen to discuss your child's progress. Please email the school to request a phone or video call. Also, for 11D Enterprise, please book appointment with Mrs Spencer should you wish to discuss your child's current work in class.

In order to gain the most from the video calls, we recommend your son/daughter is also present in the same location on the call. It is recommended to use a smartphone for video appointments, alternatively you can use a laptop or computer with speakers, microphone and camera.

Once logged in you will see a notice that you have upcoming video appointments and under this, the details of the event, along with a **Join Video Appointments** button. Once in the call, click the **Start Appointment** button.

The appointment times will be managed by SchoolCloud and will start and end at the arranged times. The remaining time for the appointment is shown in the blue bar at the top of the screen. When the countdown in the blue bar stops, the appointment time is over and the call will automatically end. If you have a consecutive appointment scheduled, the screen will display a **Start Next Appointment** button. If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long it is until the start of your next appointment.

If you lose access to the system for some reason during the call, log in again and click **Start Appointment** on the video call screen.

A full guide to using the platform for video calls can be found [here](#). You can also find details there of how to invite another parent/carer to the appointments.

We look forward to discussing your child's progress with you on the evening.

Kindest regards

Mr Snowdon
