

24th February 2023

Dear Parent/Carer

Year 10 BTEC Pearson Set Assignments

I am writing to confirm dates for the BTEC Pearson Set Assignments (PSAs) for students who study BTEC Enterprise, BTEC IT and BTEC Health and Social Care. We were previously provided a window for the assignments from Pearson of 27th February 2023 until Friday 17th March.

Under the new BTEC Tech Awards the assignment is set by the examination board and will be undertaken during the school day following Pearson Awarding body regulations. This is a crucial piece of work students will undertake which counts towards their overall grade in this subject. It is imperative your child attends school on those days. The undertaking of the PSAs will be supervised by subject teachers and external invigilators as the PSAs fall under Pearson Instructions for Conducting External Assessments.

I can confirm the following dates for the specific BTEC subjects:
