

30 March 2023

Dear Parent/Carer

Re: Easter revision sessions

We are able to offer a number of revision sessions to Year 11 students during the school holiday this year, on Monday 3rd April and Tuesday 4th April. The sessions will run between 9am and 1pm.

Revision sessions will take place in A block and B block classrooms, due to external contractors working on the school site during that time; students will need to be reminded that they are **not** permitted to access the main block and that their revision sessions will not necessarily take place in their usual classrooms. Toilet facilities will be available to students in A block and B block. All students must register with the teacher delivering the revision sessions and no students will be permitted to remain on the school site after 1pm.

Students are encouraged to bring a bottle of water and a small snack for break; please note that there will not be any school canteen catering during the Easter holidays. Students do not need to wear uniform; however they need to bring the appropriate equipment for the sessions they sign up to.

Students who wished to take part in the sessions signed up during tutor time on Wednesday 29th March and recorded their chosen sessions on a timetable provided. The sessions are running as follows:

Monday 3 rd April				
Subject	Teacher	Room	9-11am Focus	11.10-1pm Focus
