Dear Parent/Carer

As part of our 'Approach to Literacy Strategy', we are putting various interventions in place to support our students with their reading in Year 7. We are repeating our very successful Paired Reading initiative this year; pairing Year 7s up with a student from an older year group to listen and encourage students with their reading. The sessions will be run once a week during tutor time on Mondays and Wednesdays, and will take place in the Library and be supervised by the Librarian. Your son/daughter will be part of this programme, and we hope it will improve their reading and comprehension.

If you want to know anything further, please do contact either myself or Mr Johnson.

Yours faithfully

Mrs K Unwin
Librarian

Mr D Johnson
Literacy Coordinator
