

11 December 2023

Dear Parent/Carer

## Year 10 Supporting Success evening

I am writing to invite you to our Year 10 Supporting Success evening on **Thursday 11<sup>th</sup> January**. This will be an informative and practical evening where we will share with you information on the Year 10 summer mock exams and provide an opportunity to learn some revision techniques together with your child. The format for the evening will be a presentation on the summer mock exams followed by an interactive presentation by Kevin Hayes of the Constant Change Company, who will give practical tips on techniques for successful revision.

The venue for the evening will be the Garner Theatre, please enter the school via Main Reception. To allow the opportunity for all parents to attend there will be two sittings of the presentation, the first presentation will take place at 4.30pm and the second at 5.30pm. Please follow the link at the end of the letter to indicate your preferred slot and how many seats you require; this is to enable us to manage numbers on the evening. In addition to the presentation, the school shop will be open at 4.30pm until 6.30pm on the evening selling GCSE revision guides.

In addition to the evening presentation, all Year 10 students will take part in an hour study skills workshop with Kevin Hayes either on Thursday 11<sup>th</sup> January or Friday 12<sup>th</sup> January. In this workshop students will learn some techniques for revision so that they feel confident with revision ahead of mock exams. Tutors will issue timings to students.

We are very much looking forward to welcoming you to the evening and meeting many of you for the first time. If you have any questions about the evening or have any access requirements you would like us to be aware of, please contact the school.

**Please click on the link below to book your preferred presentation.**
