

25<sup>th</sup> April 2025

Dear Parent/Carer,

## School Uniform Changes

Thank you to all parents/carers who completed our school uniform survey as we undertook a recent review of our uniform items and suppliers. A Children's Wellbeing and Schools Bill is currently being discussed at Parliament which is recommending restricting schools from requiring parents/carers to buy more than three branded items as part of the school uniform, to include PE items (four items if a tie is required). With this bill likely to be agreed we have decided to make this change for September 2025 and following a review of our branded items we can confirm the following changes to our uniform from September.

Our three branded items from September 2025 will be:

- Main school uniform – blue polo shirt with logo (no change)
- Main school uniform – black jumper with logo (no change)
- There will be a new PE tech top which will replace our current PE black polo shirt. This decision was made to provide a top for our students to wear which is much more suitable when taking part in sporting activities. The price of this top is comparable to PE tops worn at other local schools and is of good quality, so extremely long-wearing.

We will phase in the new top so current PE tops can continue be worn until they are out-grown but will no longer be available for sale for the new academic year.

The quarter zip long-sleeved PE top will be available with our logo but as an optional item, there will also be an option to wear plain black underlayers. The rugby top is no longer required.

Our School Uniform Policy is being updated and will be sent out shortly with clarification of our branded and non-branded items.

## Team Sports Kits

We are also updating the sports kits that our students wear when representing the school, we are extremely lucky to have secured sponsors for some of the kits and are in the process of reviewing the designs. If you work for, or know of a company, that is interested in a sponsoring a team kit in future please contact [j.simmonds@mrus.co.uk](mailto:j.simmonds@mrus.co.uk). All team kit sponsors will be shared on social media and mentioned in our newsletters.

## **New Uniform Supplier – No Limitz**

We would also like to announce our new uniform supplier. No Limitz is a company that is based within our catchment area at Shuttleworth Road and they have been awarded our school uniform contract which commences with them on 1<sup>st</sup> July 2025. Pricing, quality/longevity, sustainability, location, customer satisfaction and stock control/supplier management were all considered during this process.

There will be options to purchase uniform in store, online for collection from store, online for delivery to home/named address or online for delivery to school.

Staff from No Limitz who will also be on hand for new parents/carers during our Year 7 transition evening to assist with sizing and ordering. Our other compulsory, non-branded items will also be available to purchase from No Limitz for ease but these items can also continue to be purchased elsewhere. We are looking forward to working together with No Limitz to ensure we maintain competitive pricing for our branded uniform items without compromising on quality and comfort for our students.

Our current suppliers will continue to take orders to this date, if there are any issues with stock though please email No Limitz using [shop@nolimitz.co.uk](mailto:shop@nolimitz.co.uk) who will be happy to assist.

## **Pre-Loved Uniform Store**

We are also happy to announce that we are in the process of setting up a pre-loved uniform shop in school. We will send out further details on this shortly with the aim to have this up and running in July. This will be managed in school by our finance department and we look forward to sharing details of this soon.

Yours faithfully,

Julie Simmonds  
Business Manager
