

French A Level

Course Description:

The course will appeal to students who enjoy learning and using French for its own sake. French is a major European language, spoken by 75 million worldwide, so speaking French will be an asset to any chosen career. The integration of practical French themes with other subjects will be of interest to students who wish to develop foreign language skills as well as enhance their career potential. Students taking the French programme will have the opportunity to gain valuable foreign language skills and to learn about aspects of life and culture in France and French-speaking regions of the world. The course is taught using a wide range of resources including text books, interactive and authentic materials.

Qualifications required:

Minimum entry requirements apply. We also prefer candidates to have a Grade 5 or above in GCSE French. If you are a fluent native speaker with no formal qualifications, see Mrs Champion or Mrs Cullis for an assessment.

Aims of the course:

- Develop a detailed understanding of how the French language works.
- Improve fluency and accuracy when communicating opinions and ideas in French.
- Research and discuss an aspect of Hispanic culture that appeals to you.
- Foster a range of transferable skills including communication, critical thinking, research skills and creativity.

Future Prospects:

You can progress on to:

- French or European language degree courses
- A wide range of careers including translating, interpreting, international business, sales, and teaching

A language is an excellent addition to a wide range of subjects, from medicine to business, and will enhance your employability

Student Feedback:

'I enjoy learning about a different culture and seeing the differences between customs.'
